

## Financial Accountant

### Share the Vision, Share the Wealth

*Linc Energy is the Australian pioneer in clean coal technology leading the charge to develop alternative energy sources. We are currently in the final stages of commissioning a demonstration Gas-to-Liquids plant converting syngas produced by Underground Coal Gasification into clean fuels. To complete this leading national project Linc Energy is in the middle of an aggressive recruitment campaign.*

*We encourage our team to prosper through having a direct impact on not only the success of the business, but their own personal wealth generation. To do this we offer our employees an extraordinary opportunity to become a shareholder in the business through our employee share option scheme.*

### Want to be part of the journey?

Linc Energy is seeking a Financial Accountant to assist with the Finance Team's expanding work schedule due to the rapid growth of Linc Energy's underground coal gasification and gas-to-liquids projects.

Reporting to the Financial Controller, you will assist with the implementation of tax compliance processes, financial control improvements, preparation and documentation of finance policies along with providing support with merger and business integration.

Along with relevant tertiary qualifications, the ideal candidate will have:

- CA or CPA qualifications
- Working Knowledge of Accounting Standards , Corporations Law and Taxation Legislation
- Experience in completion of taxation matters and returns
- Finance policy development experience
- 5-8 years post graduate experience

This is a permanent Brisbane based role working Monday to Friday.

You will be rewarded with competitive remuneration including sharing in the financial success of the business with share options, opportunity for salary packaging options as well as an exceptional career opportunity.
